Social Media Management

Experience

Argos / Stockroom Assistant

September 2018 – January 2019

- Worked collaboratively in a fast-paced environment
- Showed ability to work methodically and cope well under pressure and used data analytics to improve personal workflow and performance
- Awarded for exceptional performance within 1st month

Carlow Youth Training / Event Organizer

September 2014 – March 2015

- Organized and ran an “Olympic Sports Day” event for over 500 people from across the southeast region
- Created excel spreadsheets and developed a scoring system to keep track of participants and outcomes
- Prototyped, user tested and developed games for the event which led to being invited to come reproduce and create new games for various summer camps by regional youth services who were in attendance
- Was awarded a bonus for exceptional performance
